SUPPORT YOUR LOCAL ARTIST

"Support your local artist" is an initiative which aims at concerning young artists about being a sociable and collaborative creator and to convey the power of the union between artists to carry out a versatile and totally complete project in all artistic areas.

SUPPORT YOUR LOCAL ARTIST

There's more to public art than just putting up a graffiti mural you went through in your neighborhood. The kind of art that's most likely to be appreciated and shared in the social media is art that's embedded in the community, that originates from local artists. Talking, sharing and getting ourselves into leading projects with the people in our creating environment will give our local art scene the chance to be projected at the same level as big galleries and business do. We have the duty to get together with the simple objective of giving voice to those who haven't ideas, feelings and dreams in a whole different way. We need you!
